Advt. No. NAL/PA/2/2009

LAST DATE FOR RECEIPT OF APPLICATIONS: 30 NOVEMBER 2009

National Aerospace Laboratories (NAL) is a premier research laboratory under the Council of Scientific and Industrial Research (CSIR). In addition to many Research, Development and Technology Programmes in Aerospace, NAL is actively involved in supporting the National Aerospace Programmes of ADA, DRDO, ISRO, HAL and IAF. Further, NAL has a strong programme in Civil Aviation including the nationally important project of design and development of a multirole Light Transport Aircraft (SARAS). NAL is also exploiting several aerospace technologies into spin-off industrial applications. It has excellent facilities in all the aerospace disciplines.

NAL is currently working on many time bound aerospace projects of National importance. In order to execute these projects successfully, NAL is looking for Project Assistants at various disciplines. The engagement of Project Assistants will be purely on temporary and contract basis, being co-terminus strictly with the completion of the project.

The Project Assistants will be paid consolidated remuneration as indicated below:
