### Message for NAL Scientists

I am deeply saddened by the unfortunate accident that led to crash of the SARAS Prototype (PT-2). The loss of precious lives of the pilots, Wing Commander Praveen, Wing Commander Dipesh Shah and Squadron Leader Elaya Raja crew of the ill-fated aircraft is most unfortunate.

'SARAS' is an iconic development of CSIR. Although the accident has come as a shock, it shall not break our spirit. It should strengthen our resolve to work towards development of better and safer technologies.

I convey to you that the entire CSIR family is with NAL in this testing time.

[ Samir K Brahmachari ]
