

Short Bio-data

Name: Dr. K. Madhavan

Designation: Principal Scientist

Division: CCFP

Area of Expertise: Polymers and composites

Specialization: Polymer, Fiber reinforced composites, Membranes for gas and liquid separations

Publications:

1. International Journal: 26 Nos
(Corresponding Author: 2 Nos. First author: 11, Co-author 15)
2. Patents filed: 3 Nos

Subject area willing to guide the student: Chemistry

(Carbon fiber reinforced polymer composites and allied chemicals.)

Positions held:

Principal Scientist (2019- current) Center for Carbon Fibers and Prepregs, National Aerospace Laboratory, India

Research Scientist (2013 – 2019) King Abdullah University of Science and Technology, Saudi Arabia.

Post Doctoral Fellow (2010 – 2013) King Abdullah University of Science and Technology, Saudi Arabia.
