

## Short Bio-data

Name: Dr. S.T. Aruna

Designation: Chief Scientist

Division: Surface Engineering Division

Area of Expertise: Materials science & surface engineering.

Specialisation: Nanomaterials & coatings, Polymer & Sol-gel coatings, ceramic processing, plasma spray coatings and fabrication of high temperature electrochemical devices

Publications:

	<b>Publications</b>	<b>Numbers</b>
a	Papers published in journals	130
b	Presentations in conferences / seminars	90
c	Books	3
d	Chapters in Books & Encyclopedia	14 & 4
e	Patents	11
