

Short Bio-data

Name: Dr. Chetan S. Jarali

Designation: Principal Scientist

Division: STTD, CSIR National Aerospace Laboratories, Bengaluru

Area of Expertise: Constitutive modelling of smart and multifunctional materials, Design of smart structures and nanocomposites, Morphing and shape control of smart structures, Design and development of electro-rheological fluids and structures.

Specialisation: Mechanical Engineering Sciences and Design Engineering

Publications: 35 in SCI impact Factor Journals

Subject area willing to guide the student: Mechanical, Aero, Chemistry.

~~Aero / Chemistry / Computer Science / Electronics / Electrical / Mathematics /~~
Mechanical / Physics / etc.
