

Short Bio-data

Photo

Name: Dr. Indu Elizabeth

Designation: Senior Scientist

Division: Surface Engineering Division

Area of Expertise: Corrosion Sensors, AI in material science, electrochemistry

Specialization:

PhD in Li-ion batteries, M.Tech in Material Physics and B.Tech Electronics and Communication

Publications: <https://scholar.google.com/citations?user=PMTnO88AAAAJ&hl=en>

Subject area willing to guide the student: Chemistry/ Physics/ Computer Science (AI)
