

## Short Bio-data

Name: Krishna Lok S. Ph.D. (IISc)

Designation: Senior Principle Scientist

Division: Structural Integrity Division

Area of Expertise: Aerospace Metallic and Composite Structures, Finite Element Analyses, Structural Health Management

Specialisation: Solid Mechanics, Fatigue of Structures and Materials, Fracture Mechanics, and IVHM (Structures & Systems)

Publications: 23 Journal and 56 Conference

Subject area willing to guide the student:

Aero / ~~Chemistry~~ / Computer Science / ~~Electronics~~ / ~~Electrical~~ / ~~Mathematics~~ /  
Mechanical / Physics / Fatigue & Fracture Mechanics/ Structural Mechanics, etc.
