

Short Bio-data

Name: **Dr. S.T. Aruna**

Designation: **Senior Principal Scientist**

Division: **Surface Engineering Division**

Area of Expertise: Materials science & surface engineering.

Specialisation: Nanomaterials & coatings, Polymer & Sol-gel coatings, ceramic processing, plasma spray coatings and fabrication of high temperature electrochemical devices

Publications:

	Publications	Numbers
a	Papers published in journals	109
b	Presentations in conferences / seminars	81
c	Books	2
d	Chapters in Books & Encyclopedia	11 & 4
e	Patents	11
