

Short Bio-data

Name: Dr. S.T. Aruna

Designation: Chief Scientist

Division: Surface Engineering Division

Area of Expertise: Materials science & surface engineering.

Specialisation: Nanomaterials & coatings, Polymer & Sol-gel coatings, ceramic processing, plasma spray coatings and fabrication of high temperature electrochemical devices

Publications:

	Publications	Numbers
a	Papers published in journals	123
b	Presentations in conferences / seminars	90
c	Books	2
d	Chapters in Books & Encyclopedia	12 & 4
e	Patents	11
