## **Corrigendum towards Clarification on BOQ**

With reference to our Tender ID No. 2021\_CSIR\_82286\_1 released on 20-July-2021 towards Procurement of CNC Servo Hydraulic Press Brake with Accessories, the following are the clarifications.

It may noted that price comparison will be made considering the unit price of the item and the other charges (i.e. Packing & Forwarding charges, Transportation Charges, Insurance charges, Installation & Commissioning charges, Training charges, Bank Charges, Any other charges etc.,) and not on the basis of total value as there is problem with the formula in arriving total cost in the respective row.

All other terms and conditions of the tender document remains the same.
