Balaji

In accordance to the recommendations of Honourable Minister, S&T, Government of India, the current bid was retendered through GeM portal and as per the recommendations of NTTM, a pre-bid conference was held. And to give wide publicity to the current tender, NAL has shared the WebEx link to all the prospective bidders to enable them to participate in the pre-bid conference (a copy of the email sharing the WebEx link to prospective bidders is enclosed for ready reference). The following are the minutes of the pre-bid meeting:

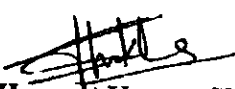

1. The pre-bid meeting was conducted through WebEx/In-person mode for seeking queries from prospective bidders in regard to the specifications for the above referred NAL Tender.
2. Representatives from 2 (two) prospective bidders, i.e., M/s. Silcarb Recrystallized Private Limited, Bengaluru, and M/s. Therelek Engineers Private Limited, Bengaluru, had participated in the Pre-Bid meeting through virtual mode i.e., WebEx.
3. The Technical Sub-Committee enquired from each of the participating bidders whether there are any queries with respect to NAL tender specifications with a view to provide the necessary clarifications.
4. Each of the participating firms had responded that all the requirements have been clearly spelt out in the NAL tender document and hence no further clarifications are required from NAL.
5. Accordingly, the TSC has concluded the meeting by approving to retain the technical specifications without any addition or deletion.
